MR ADAM STRONG  
PO BOX 6177  
MMC 4741  
MACKAY QUEENSLAND  
AUSTRALIA

To Whom It May Concern:

MR ADAM STRONG is a graduate of our Electronics Technician program.

Our School is accredited by the Accrediting Commission of the Distance Education and Training Council (DETC) in Washington, D.C. This commission listed by the U.S. Department of Education as the "nationally recognized accrediting agency" for distance education institutions. In addition, we are licensed by the Pennsylvania State Board of Private Licensed Schools.

To be successful in an independent study program, a student must be extremely dedicated and self motivated. These personal characteristics make independent study students successful in a wide range of pursuits after they finish their courses of study.

Because of the singular commitment required to complete such a study program, without any external motivation, we do not hesitate to recommend our graduates for employment in any field.

If we can be of further assistance, or provide additional information, please do not hesitate to contact us at the phone number above.

Sincerely,

Connie Dempsey  
Chief Academic Officer
